40. Common name and family of nux vomica
41. How colocynth abdominal is relieved.
42. Prover and common name chochicum
43. Common name and family of aconite napellus.
44. Common name Family of Aethusa cynapium.
45. Causation of diarrhoea in Argentum nitricum.
46. Any child two child complaints of Antim Tart.
46. Any two diarrhoea complaints during dentition of Chamomilla.
47. Any two child complaints of Chamomilla.
48. Any two child complaints of Cina.
49. Any two fever complaints of China.
50. Two important biochemic indication of FERRUM PHOS
51. Two important biochemic indication of MAG PHOS
52. Two important biochemic indication of SILICIA
53. Two important biochemic indication of NAT MUR
54. Two important biochemic indication of NAT SULPH
55. Two important biochemic indication of CALC PHOS
56. Two important biochemic indication of CAL FLUOR

57. Two important biochemic indication of CAL SULPH
58. Two important biochemic indication of KALI MUR
59. Two important biochemic indication of KALI SULPH
60. Any Two Skin Complaints Of Dulcamara
61. Any Two rheumatic Complaints Of rhus tox
62. Any Two colic Complaints Of colocynth
63. Any Two respiratory Complaints Of ipecac
64. Any Two Skin Complaints Of Dulcamara
65. Any Two baby Complaints Of silicea

Q.2. Write short notes (any four out of six)

4x5=20

- 1) Guiding symptoms of china
- 2) biochemic indication of kali phos
- 3) Guiding symptoms of aconite
- 4) Fever of Bryonia
- 5) Mental symptoms of arg. nitricum
- 6) Respiratory complaints dulcamara
- 7) biochemic indication of silicea
- 8) Guiding symptoms of bryonia
- 9) mental symptoms of nux vomica
- 10 Gastrointestinal complaints colchicum
11. Guiding symptoms of antim crud
12. biochemic indication of Nat mur
13. Guiding symptoms of ledum pal
14. Fever of aconite nap
15. Physical general symptoms of nux. Vomica
16. Mental symptoms of antim crud
17. Guiding symptoms of arnica mont.
18. fever of china
19. fever of rhus tox

Q.3. Write short answers (any four out of six)

4x5=20

1. Skin complaints of silicea
2. Fever symptoms of calimur

3. Mental symptoms of kaliphos
4. Skin complaints of cal. Fluor
5. fever symptoms of ferrum phos
6. Guiding symptoms of cal surph
7. headache of silicea
8. skin complaints of cal solph
9. Extremities complaints cal. fluor
- 10 Respiratory complaints – Nat solph
- 11 headache – ferrum phos
12. Guiding symptoms of kaliphos
13. anemia symptoms of ferrum phos
14. Injury complaints of silicea
15. Headache of Nat mur
16. GIT complaints of mag phos
17. Respiratory complaints of nat phos
18. Female genital organ symptoms of Nat mur

Q.4. Long answer questions

2x10=20

- 1) Child – chamomilla
- 2) Child of china.
- 3) Respiratory complaints – arg. nitrom
- 4) GIT- Argentum nit.
5. Injury symptoms – arnica
6. Gastro intestinal complaints of – cinchona
7. Fever- Rhus tox
8. Respiratory complaints ipecac
9. Fever of China.
10. Dysentery – colchicum
11. Indication of arnica – Injury complaints .
10. Nasal complaints ALLIUM Cepa.
12. Indication of apis mel in urinary complaints
13. Indication of aconite -mental symptoms
14. Fever of Aconite nap.

15. Rheumatism of Rhus tox.
16. Rheumatism of Ledum Pal.
17. Rheumatism of Bryonia alb.
18. Skin of Dulcamara.
19. EYES complaints of Euphrasia.
20. Respiratory complaints of Ipecac.

Q.5 Long answers questions (any one from Q.5,6,7)

1x20=20

- a) Definition H.M.M.
- b) Sources of Materia Medica.
- c) Sources of Homoeopathic Drugs.
- d) How to study homoeopathic Materia Medica

6. Write down Apis Mel with reference to

- a) Guiding symptoms
- b) Mental symptoms
- c) Urinary organ
- d) Modalities

7. Write down drug picture of Arg-Nit with reference to

- a) Constitution
- b) Guiding symptoms
- c) Gastro intestinal symptoms
- d) Modalities

8. Write in detail drug picture Aconite nap with reference to

- a) introduction
- b) Guiding symptoms
- c) Important particular
- d) Modulation

9. Write down the drug picture of bryonia with reference to

- a) Mental symptoms
- b) Gastro intestinal symptoms
- c) Respiratory
- d) Modalities

Q.10 write down the drug picture of Rhus-tos with reference to

- a) Causative symptoms
- b) Guiding symptoms
- c) Extremities
- d) Modalities

Q.11. drug Picture of Dulcamara with reference to

- a) introduction -5 Marks
- b) Constitution
- c) Guiding symptoms
- d) Modalities

Q.12. Write down the drug picture of Nux Vomica with reference to

- a) Constitution
- b) Guiding symptoms
- c) Gastrointestinal complaints
- d) Modalities

Q.13. Write down drug picture of Colchicum with reference to

- a) Guiding symptoms
- b) Mental symptoms
- c) GIT-
- d) Modalities
