

CODE : AEM - 1/23

Write here Roll Number and Answer Sheet No.

	estion Booklet Sl. No.
oot No	

Roll No.					A	Answe	er She	eet No).			

Duration: 3 Hours Total Marks: 300

Declaration by Invigilator:

I Certify that I have checked that the Roll Number and the Answer Sheet Number written by the Candidate on the question paper and the OMR Sheet are correct and the Answer Sheet Number matches the Question Booklet Number exactly.

Signature of the Invigilator with Name

Declaration by Candidate:

I undertake not to employ any unfair means in this exam. I have checked the Question Booklet Number and the Answer Sheet Number and both are identical and have been correctly entered by me wherever indicated.

Signature of the Candidate with Name

Read the following instructions carefully before you begin to answer the questions.

IMPORTANT INSTRUCTIONS TO CANDIDATES

- 1. The Roll No. is a 7 digit No., the candidate needs to circle the Roll No. in the Answer Sheet.
- The appropriate Circle should be shaded for Roll No. This should be done carefully because only the shaded circles are scanned.
- 3. Valuation of Answer Sheet will be done on the computer. Candidate should not make any stray marks on the Answer Sheet, tamper with or mutilate it. Otherwise it will not be evaluated.
- 4. Please check all the pages of the Booklet carefully. In case of any defect, please ask the Invigilator for replacement of the Booklet.
- 5. You must not tear off or remove any sheet from this Booklet. The Answer Sheet must be handed over to the Invigilator before you leave the Examination Hall.
- 6. All questions are compulsory and each Question carries **2** marks.
- 7. There will be negative marking of $\frac{1}{4}$ for incorrect answer. (i.e. $\frac{1}{4}$ of 2 = 0.5 marks)
- 8. This Booklet contains 150 questions. Candidates must note that there will be 3 Sections in the question paper:

Sections	Test Components	No. of Questions	Page No. 5 - 10		
A	General English	1-50			
В	Elementary Mathematics	51-100	11 - 16		
C	General Knowledge	101-150	17 - 23		

- 9. Use of Calculator/Palmtop/Laptop/Other Digital Instrument/Mobile/Cell Phone/Pager is not allowed.
- Candidates found guilty of misconduct/using unfair means in the Examination Hall will be liable for appropriate penal/legal action.
- 11. No Rough Work is to be done on the Answer Sheet and only single OMR Answer Sheet will be provided.
- 12. This booklet contains 24 pages.
- 13. **Directions**: Each question or incomplete statement is followed by four alternative suggested answers or completions. In each case, you are required to select the one that correctly answers the question or completes the statement and blacken appropriate circle a, b, c or d by Blue / Black Ball-Point Pen provided by the board against the question concerned in the Answer Sheet.
- 14. Mark your answer by shading the appropriate circle against each question. The circle should be shaded completely without leaving any space. The correct method of shading is given below.

Wrong Method	Wrong Method	Wrong Method	Correct Method
$\bigcirc \otimes \bigcirc \bigcirc$	$\bigcirc \varnothing \bigcirc \bigcirc$		0 • 0 0

The Candidate must mark his/her response after careful consideration, as it is not possible to change the response once it is marked.

- 15. There is only one correct answer to each question. You should blacken () the circle of the appropriate column, viz., a, b, c or d. If you blacken () more than one circle against any one question, the answer will be treated as wrong.
- 16. Use the space for rough work given at the beginning of the Question Booklet only and not on the Answer Sheet.

17. You are NOT required to mark your answers in this Booklet. All answers must be indicated in the Answer Sheet only.

DO NOT WRITE
